

MS Swiss Treasures

Specifications:

- Year of construction: 2011
- Length: 110 m
- Width: 11.40 m
- Draft: 1.50 m
- Engines: 2130 hp
- Crew: 36 persons
- Passengers: 124 persons
- Voltage: 220 Volt
- Flag: Switzerland
- The ship is fully air-conditioned.

In August 2011 the MS TREASURES was baptized in Cologne. It is now the fourth ship, to be in operation on the American market. The MS TREASURES can however in the off season be booked for special trips, trade shows and incentives.

Endowment:

In the entrance hall you will find a reception, Travel Desk and an on-board boutique. On the Diamond deck there is a panorama bar and an elegant parlour with a dance floor available, in the back of the ship one can find the Lido-Bar and the restaurant can be reached from the Ruby deck. In addition the ship is equipped with a modern fitness room and separate massage room. The large sun deck has a whirlpool, chessboard as well as plenty of sun loungers and

seats at one's disposal. There is an Internet corner and WLAN available for the guest. A lift joins each of the decks to the other areas of ship (except to the cabins on the Emerald deck and sun deck).

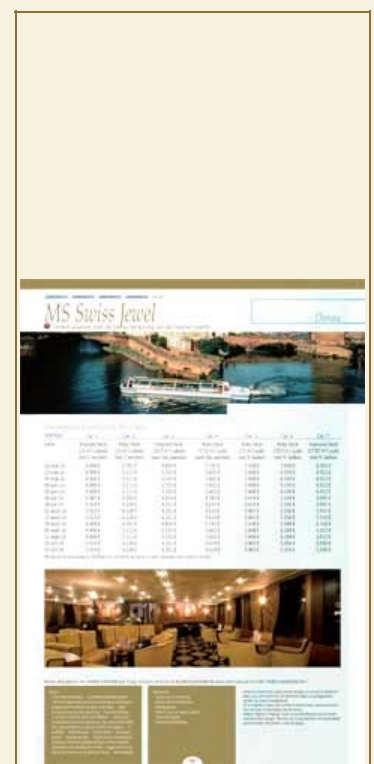

Cabins:

Just like the identically constructed sister ships MS SWISS EMERALD, MS SWISS JEWEL and MS SWISS SAPPHIRE, the top deck of the MS TREASURES consists solely of suites (30 sqm), and has therefore, like its sister ships, four times more suites and junior suites (19 sqm) than what on a European river cruise ship normal is. All cabins are outwards facing cabins, fitted with flat-screen TV, iPod-docking-station, minibar, safe, hairdryer, air conditioning, shower and WC.
